- January 19 – February 6 - Kindergarten to Grade 3 teachers administer the Alberta Education Literacy and Numeracy Screening Assessments
- Mid-year data update – attendance and OurSCHOOL student perception data

## **Indigenous Education**

Jack Leslie Environmental Grant submitted January 16

Outdoor Learning Commons Beautification and Commemoration

This youth-led environmental project will naturalize and enhance Woodlands School's new outdoor learning space through the creation of a zone-hardy native pollinator garden.

Planned and implemented by our Grade 6 students. Students will work with Indigenous Knowledge Keepers through CBE Indigenous education programs to learn about native plants within the Fish Creek watershed and Calgary area.

## **Gathering Feedback from Woodlands Parents**

- March 11 meeting will have an opportunity for engagement around School Development Planning and Budgeting priorities for Woodlands for the 2026-27 school year – there will be a presentation during the council meeting with invitation to share feedback
- Alberta Education Assurance Survey – Feb/March for parents with a child in Grade 4, 7 or 10, all teaching staff and students in grades 4, 7 and 10
  - Because our school has less than 120 students in Grades 4-6, all students in these grades complete the survey (this excludes our students from also having to complete the CBE Student Survey for students in Grades 4-12)
  - We will provide messaging to families when the survey is open
  - Parents will receive a mailed letter from ABED with the online survey link

## **Technology Update**

- January 7 - 29 Chromebooks replaced with new

- January 7 – 19 iPads replaced with new
- 3 new Smartboards to date this year
- New budgeting process is \$200.00 per student (Woodlands budget about \$50,000)
- Devices decommissioned about every 5 years – when school turns back old, they get new replaced
- Previous model was 3 students: 1 device
